### Parent/Guardian Permission

I accept that Manly OOSH Inc. educators are happy to remind my child to attend the extra curricular activity but will not be held responsible if my child does not go when reminded.

I accept that my child attending and travelling to and from activities during a session will not be under the supervision of the MOOSH staff.

I understand that MOOSH staff are not responsible for my child whilst they are absent from the service & Manly OOSH Inc. is relieved from any Duty of Care once my child is signed out.

I accept that if I collect my child directly from the extra curricular activity when they would usually return to MOOSH I need to notify the centre that they will not be returning and sign them out.

I will notify MOOSH when the activity has ceased.
