## QUALITY AREA 7—GOVERNANCE & LEADERSHIP

Hello MOOSH Families,

As we prepare for Vacation Care, here are a few reminders :

- Children need to have their MOOSH hats and wear sunsafe clothing, enclosed running shoes.
- Pack a spare change of clothes ,name-labelled water bottle, healthy morning tea and lunch-NO NUT or EGG products to be brought onsite.
- Check the daily program online for activities and update your emergency/authorised contacts if required and let the MOOSH office know via email .
- Ensure only authorised adults are signing children in and out of OOSH sessions.

**Health and Safety matters under COVID (yes, we are STILL in pandemic-mode) and we aim to align with our school (MVPS) as closely as possible during COVID:**

Please be aware that we need to still be very cautious with self-hygiene and physical distancing.

It will be good to teach and remind your child about coughing and sneezing into a tissue or into their elbow (and throwing the tissue into a bin).

If your child is ill—please do not bring the child to school/MOOSH.

If any member of your family is ill and your child attends school and MOOSH,please inform us especially if they display COVID like symptoms. Please get TESTED asap.

Explain to your child why we are not allowed to share food and drinks.

It is imperative they have their own water bottles—with their names on it.

Please remember to practise physical distancing with all the educators and children at MOOSH (unless it is your own child).

And of course, keep the handwashing going very regularly! Stay safe all:)

Happy Springtime and please be COVIDsafe as well!
