Term 3 Week 2

2021

MOOSH PROGRAM

FIND OUT WHAT WE'VE BEEN UP TO AND WHAT IS COMING UP EVERY WEEK AT MOOSH!

Last week was the first week of Term 3 and **Welcome Back and Respect Week!** We had fun playing games and doing craft, as well as discussing and showing how we can respect each other so that everyone has the best possible time at MOOSH!

This week is **RRR Week!** Everyone has got their creative caps and green thumbs on to help give the MOOSH Community Garden a massive overhaul! So far we've set up the worm farm and planter boxes, hopefully by the end of the week we'll have some plants in there too! Thanks everyone for your help!

Next week is **Educator's Week!** Wednesday July 27 is National OOSH Educators Day, and to celebrate we are letting the Educators choose the activities all week (hint, the Olympics are on so that might be the theme...)! Feel free to make a card or say thanks to your favourite educators!

MOOSH NEWS

It's the start of another term, so next week we will be practicing our safety drills to make sure that both children and educators alike remember how to stay safe at MOOSH!

MOOSH COMMUNITY GARDEN!

At MOOSH we have been recreating our community garden!

Children have filled new garden beds with soil and have been learning about turning soil, composting and worm farming!

The children have loved getting their hands dirty in the soil and playing with the worms!

Some of the children have even made names for our new wormy friends!

Big thankyou to educator Charlie for teaching us about sustainability and making it so much fun!

We can't wait until families are all allowed back onsite to check it out!

QUALITY AREA 7—GOVERNANCE & LEADERSHIP

Hello Families,

Yet again another lockdown for us! Please be reminded that we will still be following our usual COVID safe practices in Term 3 with a few additional mandatory processes in place.

Please be aware that we need to still be very cautious with self-hygiene and physical distancing. **It will be good to teach and remind your child about coughing and sneezing into a tissue or into their elbow (and throwing the tissue into a bin). Hands need to be washed after this or if child sneezes/coughs into their hands.**

If your child is ill—please do not bring the child to school/MOOSH.

If any member of your family is ill and your child attends school and MOOSH, please inform us especially if they display COVID like symptoms. Please get **TESTED asap**.

Explain to your child why we are not allowed to share food and drinks.

It is imperative they have their own water bottles—with their names on it.

If you are dropping off or collecting your child , please ensure you use hand sanitisers or wash your hands before using the Ipads. Please follow the directions of our MOOSH COVID Marshall during drop off and collection. Parents/guardians are not allowed to wander onto school grounds during this lockdown.

Everyone coming onsite to MOOSH will need to sign in on our QR code.

Families/Staff/ Visitors –are all REQUIRED to wear a mask onsite indoors and outdoors, unless you have an exemption.

Please remember to practise physical distancing with all the educators and children at MOOSH (unless it is your own child). And of course, keep the handwashing going very regularly! Stay safe all:)

MOOSH is OPEN for MVPS children for the BSC and ASC sessions --so even if your child is remote learning from home--you can still send your child to us during our sessions for some fun and laughter with the educators and their friends at MOOSH! We will be making more fun MOOSH play videos and have loads of MOOSH games for all to join in:) So, come on down to MOOSH !!

Celine (Director)

Protecting children is
